Ref Letter/EASA (D)2006 JH/L9/EASA.145.5001/16290

Subject: Continuation and Change of EASA Part-145 approval

Dear Sir,

Following a positive recommendation from the **FAA** the European Aviation Safety Agency hereby accepts the changes and confirms the continued validity of your EASA Part-145 approval until **1 August 2007**, subject to continued compliance with FAR 145 and the EASA special conditions as detailed in the Bilateral Aviation Safety Agreement (BASA) and associated Maintenance Implementation Procedures (MIP):

BRIDPORT AIR CARRIER INC

EASA Part-145 Approval certificate reference number:

EASA.145.5001

Please find enclosed your amended certificate. This certificate supersedes your EASA.145.5001 approval certificate dated 12 October 2004 which should be returned to the Agency at the following address:

EASA (European Aviation Safety Agency)
Postfach 10 12 53
D-50452 Köln
Germany

You are reminded that you will be required to submit your next continuation paperwork package in accordance with the MIP-G which is available on our web site at www.easa.europa.eu

Yours faithfully,

J Hall
Continuing Airworthiness Manager
