II. List of Effective Pages

Please insert the revised pages into this manual and delete the obsolete pages following the list of effective pages below. The letter "R" indicates a revised page, "A" is for added pages and "D" for deleted pages. Remove superseded and deleted pages from the manual.

This list is a record of each page of subject revision and each previously issued page that is still current. Blank pages and pages that are no longer current do not appear on this list. If there is any question about the currency of the recipient's manual, check each page in the manual against this list of effective pages. Remove any page that does not appear on the list of effective pages.
